Malvern**

**MALVERNARTISTS.ORG.AU/**

## **BIO**

**Pastels fly on the paper,  
out running thought.  
Characters from the deep  
decide for themselves the  
story of their home.  
Words come later, seeing  
the picture, seeing where  
my mind and life abide  
then spilling randomly.  
Process is everything and  
the finished work reveals  
itself to all who see.**
