

## Nic Kirkman Drawing Materials List

### Beginners / Intermediate

Really minimal/sets/cheap is fine:

- Visual Diary A4 drawing paper
- Pencils (in the range 2B - 8B)
- Charcoal sticks:  
Thick and thin  
(should look like burnt twigs, coz they are!)
- Two types of erasers:  
Kneadable (looks and feels like blue tac) and  
Vinyl (e.g. what you had at school/end of your pencil)
- Optional:  
Blending tool (e.g. stumpy – which are just rolled up blotting paper.  
These are often included in starter drawing kits)
