

Nic Kirkman Acrylics Materials List

Beginners / Intermediate

Bring what you already have and use or - if you're new to acrylics - this is a good enough starting list:

- **Brushes** (range of sizes and shapes e.g. 12 pack of Royal and Langnickel brushes from Officeworks)
- **Acrylic paints** (e.g. starter pack of 12-24 colours from Officeworks)
- **Canvasses/boards** (recommend something in the A4-A3 size range)
- **A palette** (e.g. a shallow, wide, neutral-coloured plastic box with lid)

Palette knives optional

My general philosophy of art materials is they need to be good enough that you're not fighting with them but cheap enough that you're not scared to use them.
