We warmly invite you to experience *Luminescent*, Angelo Quabba's 20th Solo exhibition, showcasing a striking new collection of vibrant and innovative oil paintings.

In this radiant series, Angelo's impressionistic tonal style celebrates the sensory richness of the world around us. This exhibition showcases a diverse range of subjects ranging from seascapes and landscapes to still life, portraiture, cityscapes, figurative studies and scenes of everyday urban life.

Working predominantly *alla prima* and often directly from life, he explores the interplay of atmosphere and light with expressive brushwork and an assured lightness of touch. His paintings demonstrate a masterful tonal harmony, reflected in the warmth, luminous clarity and arresting immediacy that defines his work.

This high-calibre solo show strengthens his reputation as an artist with a unique visual language, exceptional technical virtuosity and a true mastery of the oil medium. *Luminescent* presents a dynamic series of paintings that will resonate deeply with art lovers and collectors seeking refined and evocative contemporary art.
